UNIVERCELL SERIE

DRY TYPE BATTERIES 12 V 7-100 Ah

Univercell The battery has a lifetime of reliable and long waiting times. Batteries, suitable for serial use in high performance and durability.

Continuous Use Durability and Performance 5 Years Life

All Univercell batteries, models are rechargeable,highly efficient, leak proof and maintenance free.
Univercell Battery is well-known for it's stable and reliable performance.
The Battery can withstand overcharge, over discharge , vibration and shock.
It is also capable of extended storage.
UNIVERCELL's unique construction and sealing technique guarantees that no electrolyte leakage
can occur from the terminals of case of an UNIVERCELL Battery.
This feature insures safe and
efficient operation of UNIVERCELL batteries in any position.
UNIVERCELL batteries are classified as " Non-Spillable" and will meet all requirements of the
International Air Transport Association.
